HATFIELD & MCCOY DINNER FEUD™

At the Hatfield & McCoy Dinner Feud, students are introduced to one of the region's most famous family feuds. The Hatfield & McCoy Dinner Feud offers a fun, family-friendly twist on the historic rivalry. Rather than feuding over land or politics, these families compete to prove which family is the most talented through music, dancing, comedy, and unforgettable performances.

Students will experience authentic elements of the Appalachian culture - energetic clogging, music performed on the banjo, fiddle, & upright bass that have been passed down through generations.

The show also features incredible diving stunts, jaw-dropping acrobatics, & hilarious comedy that keep students entertained from beginning to end.

This immersive experience supports lessons in Appalachian history, regional culture, music, dance, and performing arts while reinforcing themes of family, community, cooperation, and conflict resolution.

The show features crowd-pleasing live music inspired by the Smoky Mountains, high-energy juggling, award-winning ventriloquism featuring fan-favorite Bonzo the Monkey, lightning-fast Appalachian clogging, and hilarious animal acts starring talented dogs, cats, birds, and other trained performers.
